*Terms and conditions apply. Travel times vary with the time of day. This sheet is compiled from campaign material by an independent information website. It is not an offer, advertisement of sale or booking. Verify everything with the developer and on the Karnataka RERA portal.

Location in brief

K.R. Puram is where Old Madras Road, the Outer Ring Road, the railway and the Purple Line metro meet. Indiranagar lies west; Hoodi, ITPL and Whitefield lie east; Mahadevapura and the ring road offices lie south. The Blue Line metro towards the airport is under construction. Expect heavy peak-hour traffic around the junction.

Before any EOI payment

- What is the amount, who receives it, and is it refundable? Get it in writing.
- What exactly are the early privileges?
- What does ₹2.88 crore include, and for what carpet area?
- Has the RERA registration appeared on the official portal?
- Which towers reach the 29th-floor club, and what will it cost to run?

When the plans arrive

- Compare RERA carpet area, not super built-up area.
- Draw your own furniture into all three bedrooms.
- Check homes per floor, lifts, facing, noise and parking.

Verify RERA

Type the Karnataka RERA website address yourself, search by promoter and project name, and match the survey numbers with the site you visit. An agent's registration number or an application acknowledgement is not project registration.

An Expression of Interest is not a booking and creates no right to any unit. Do not pay cash or pay into a personal account.
